

Portfolio Website Presentation

Emma Holt

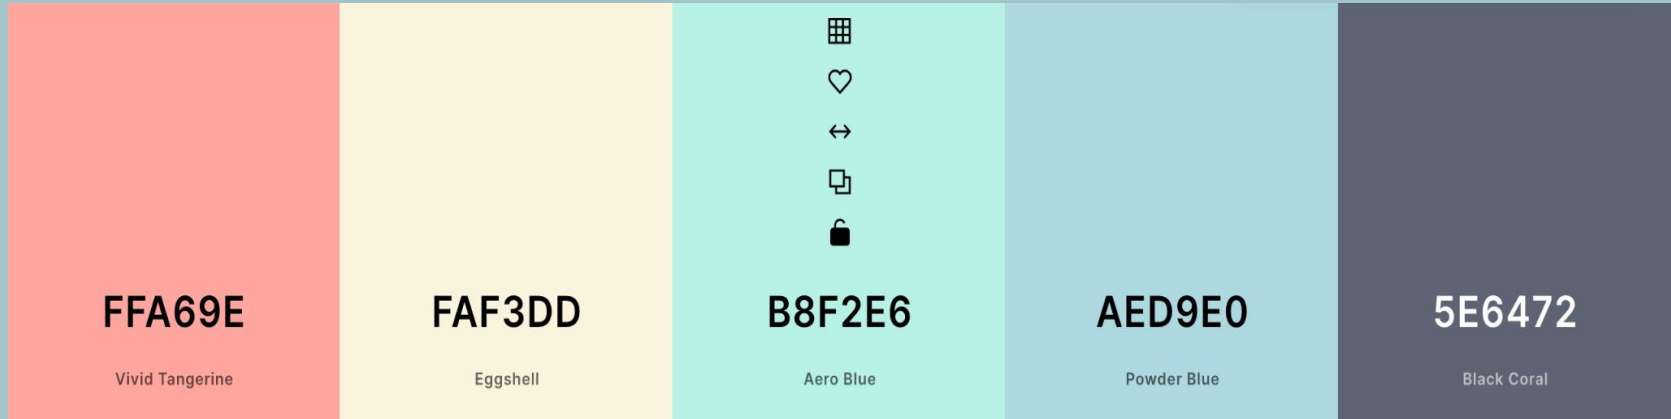

Planning

- Sitemap
- Wireframes
- Colours/themes
- Media query breaks

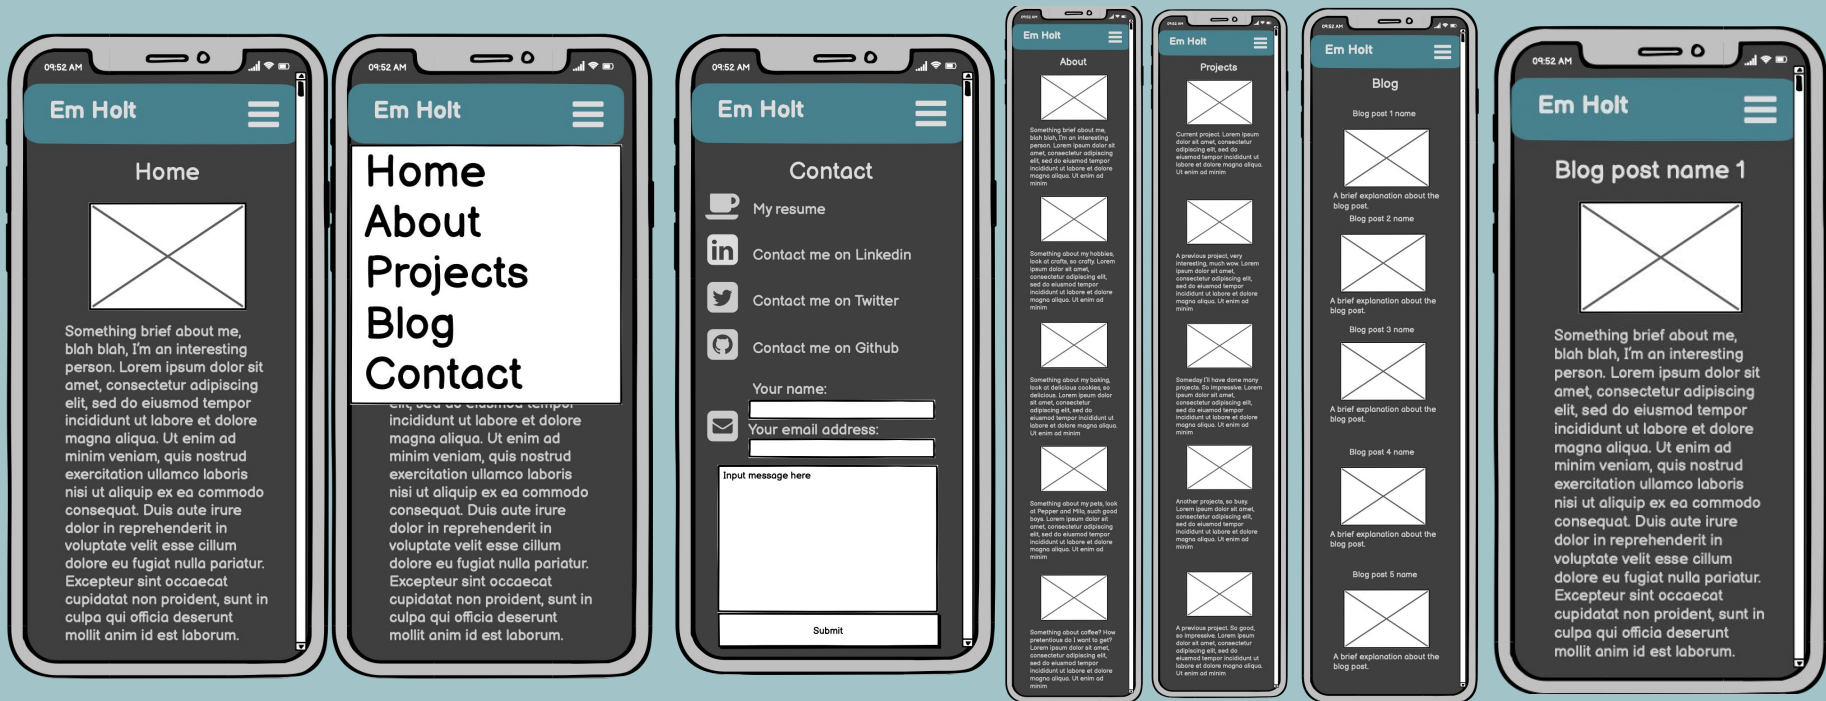

Colours and Themes

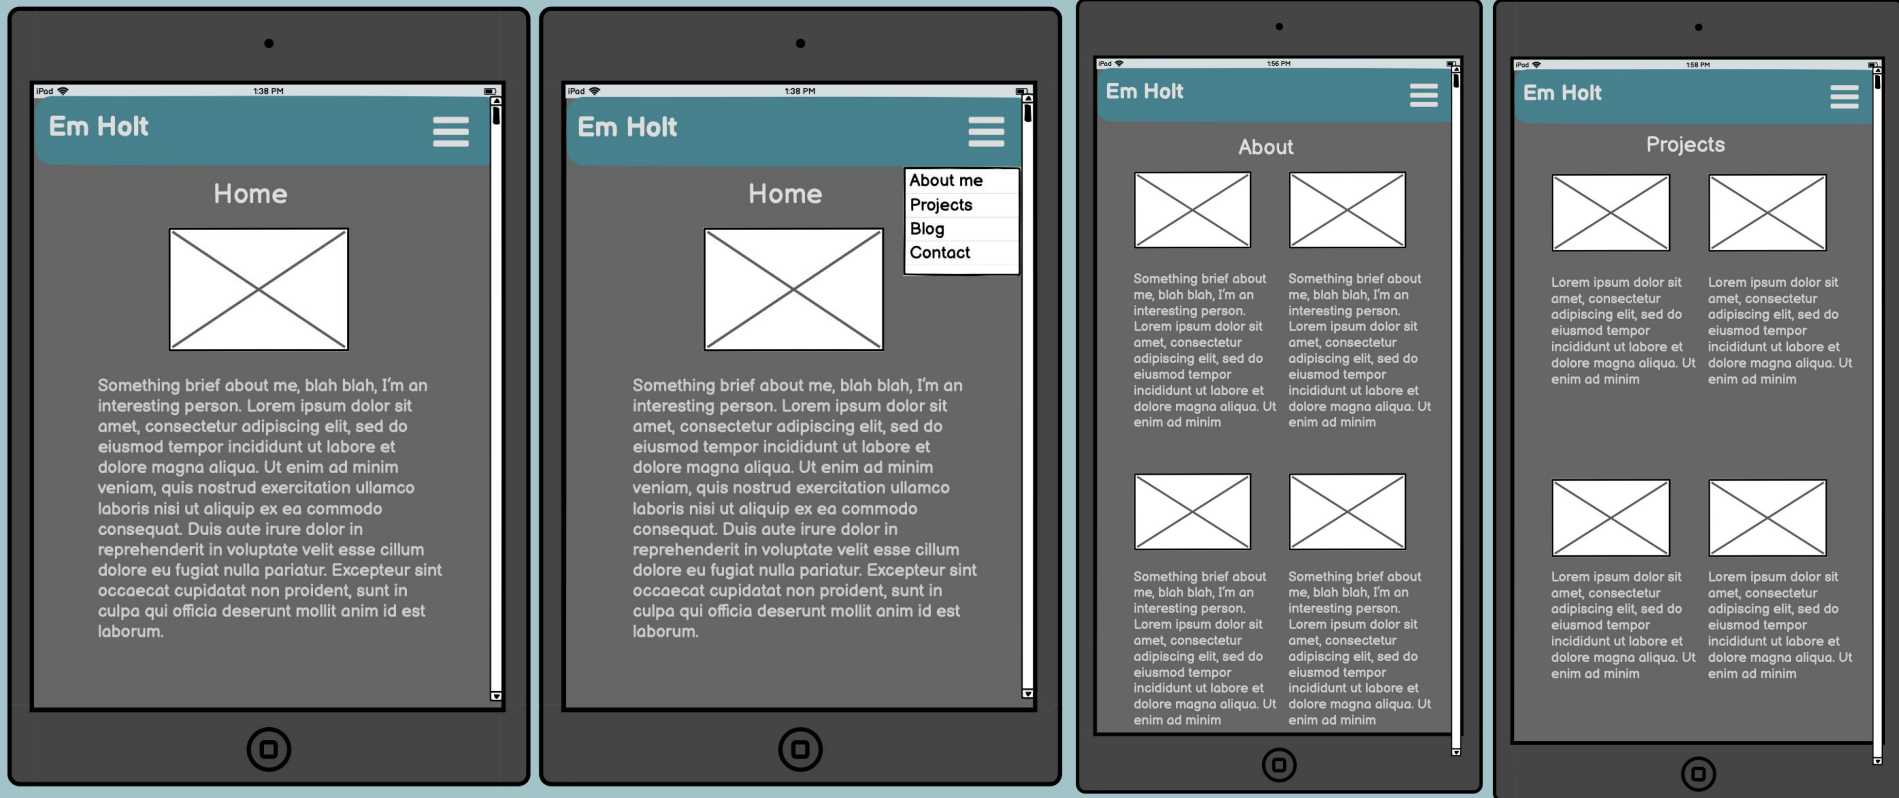

- Relatively neutral
 - Used colours I like
 - Keep relatively simple
- Focus on responsive design
 - Easy to navigate, lighter background makes easier to see text.

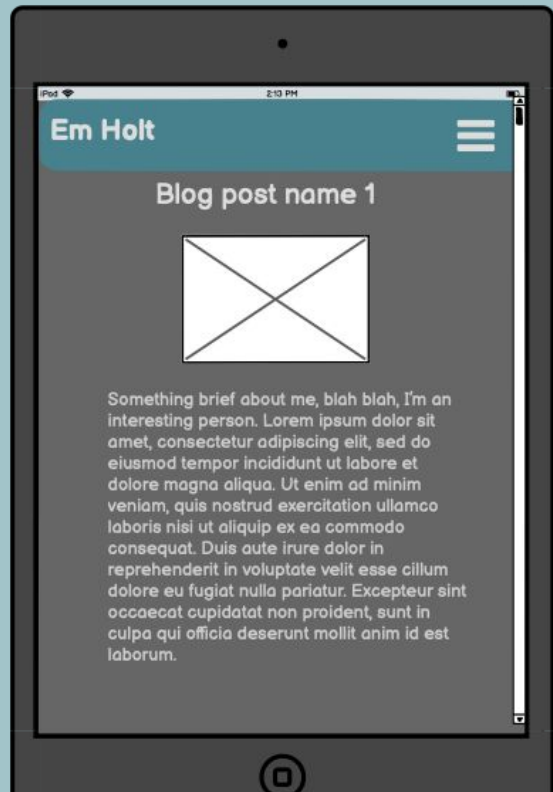

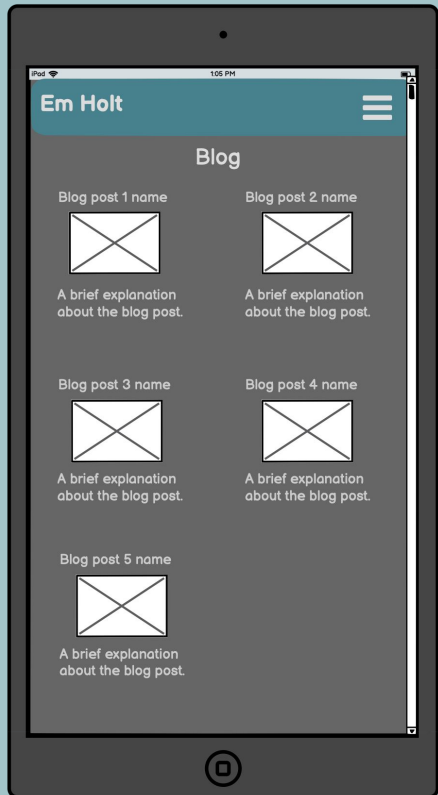

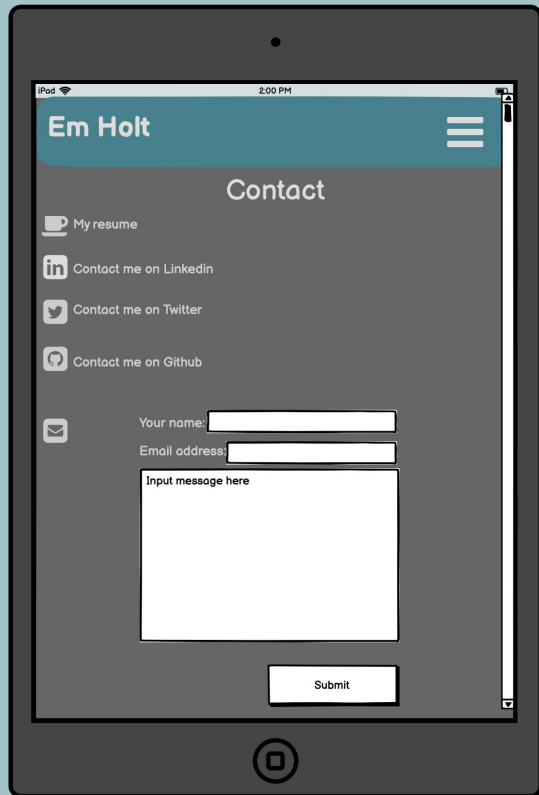

Mobile Wireframes

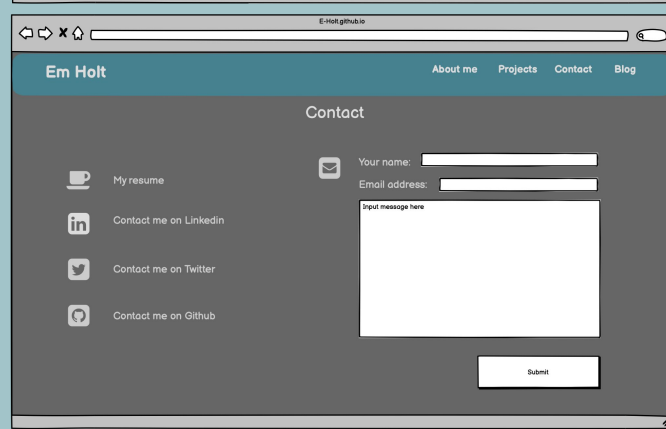

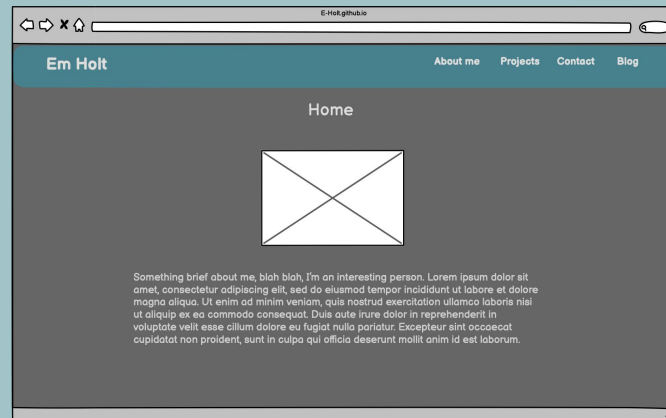

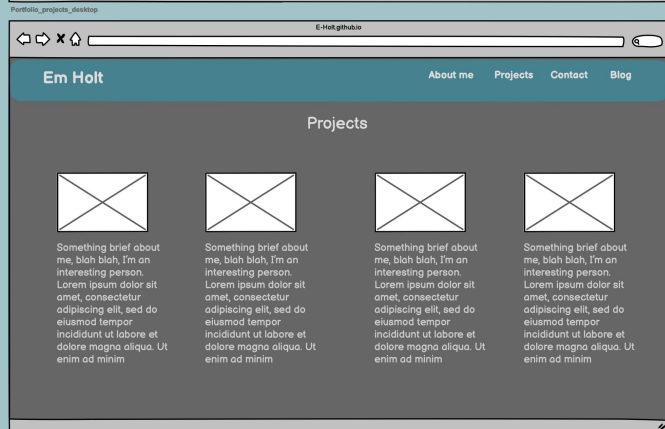

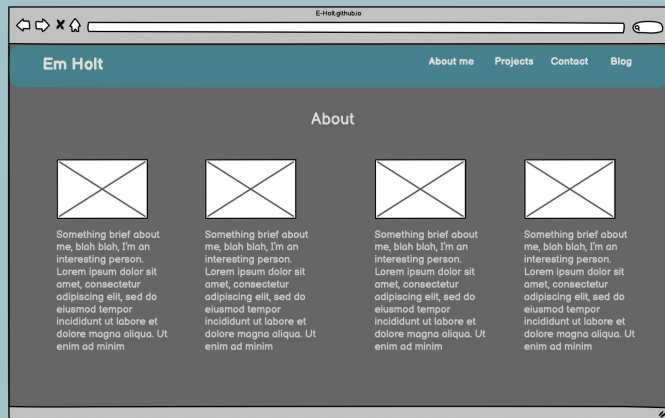

Tablet Wireframes

Tablet Wireframes

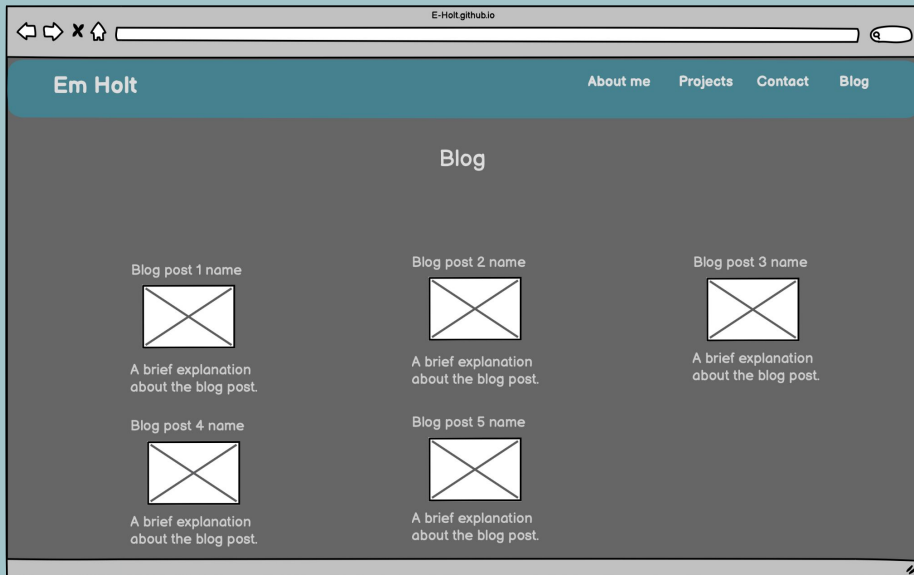

Desktop Wireframes

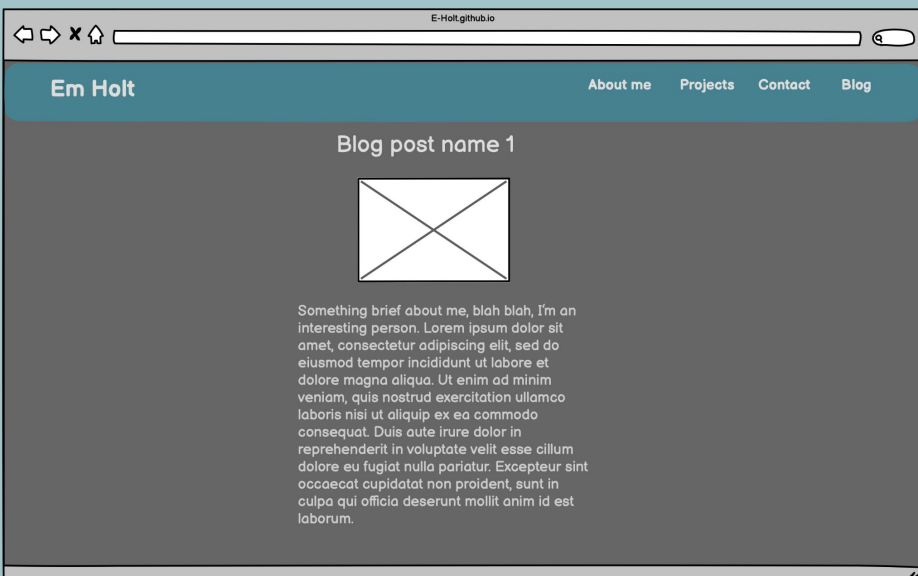

Desktop Wireframes

username_email_username

username_email_username

Components

- Nav bar
 - Clickable drop down menu using an unordered list in a checkbox
 - Highlight over links in unique colour, background colour transition animation makes interesting and easy to navigate
 - Styled to fit theme

Emma Holt

NAV

Hello! I'm Em, a full stack web developer (in training). Thank you for stopping by my portfolio! Hopefully it isn't too broken.

127.0.0.1:5501/about.html

Components

- Unordered list: blog page
 - Highlight over links in unique colour, background colour transition animation
 - Clickable images as well as titles as links - easier for mobile version since picture is bigger than link
 - Date
 - Styled to fit theme

Components

- Contact form
 - Multiple input fields for email, name, and message for ease of filling out
 - Clearly labeled
 - Submit button
 - Icon will also be animated, though not a link
